Waste Comments

.

Water Comments

Thank you for consulting Thames Water for the discharge of matters relating to water networks. Thames Water confirm that they are happy for the water networks condition referenced, to be discharged based on the information submitted.

Supplementary Comments

TW agree to discharge the condition 12 (water supply infrastructure), as the impact of this development has been modelled. The developer must adhere to the conclusions and recommendations that network reinforcements will be required and work with Thames Water.

Yours faithfully
