Comments	<input type="text" value="I object to this revised version of a previously declined application for the following reasons; 1. It would remove the green belt between the 2 villages of Cropredy & Great Bourton. 2. The proposed caravan dwelling is out of keeping with the nature of the area and the villages. 3. Development would obstruct the public right of way and add to already significant traffic problems at the beginning and end of the school day. 4. Most worryingly, the whole basis of applications to develop this land (whereby an uninhabitable caravan was supposedly occupied for over 10 years) is disingenuous to say the least, some may say fraudulent. I would ask that you please turn down this destructive application. Thank you"/>
