Comments	<input type="text" value="The green belt between Great Bourton and Cropredy should be protected. The site is starting to sprawl with vehicles, a caravan and animals. With a lot of dog barking and and often a truck parked in the entrance over hanging onto the road. the countryside isn't being protected by the council, or respected. Once this has been given the green light this will radically disrupt the clean, peaceful nature of our community and countryside. With proposed house in Great bourton and the creeping nature of Banbury residential up south am road, the council have a duty to protect the countryside, the conservation of the land and residence who work hard to maintain it with integrity. Please respect your constituents who pay their council tax/income tax, and want nothing but to protect the area for future generations."/>
