Subject: 20/03140/CLUE the Stables residential Caravan Park Cropredy

Dear sir,

We would like to register our objections to the change of use of this field to a RESIDENTIAL caravan site. There has been a slow creep of development on these fields which already increasingly spoils the ambience and rural nature of both villages. It will result in creeping development merging both villages and spoiling more natural habitat. With the extension of the marina also encouraging residents this will have the effect of a housing estate which has been agreed previously would overwhelm health and local services. It is completely out of keeping with Cropredy.

Equally I am aware there are several residential caravan sites dotted around Cherwell and as such we don't need another – it's just a money making exercise at the expense of everyone else in the area.

yours faithfully
Paul and Debra Broadbridge
