

HL JOINERY LTD. Mead Farm, Barford St.John, BANBURY, OX15 0PS

Stickleys House, Sibford Gower, OX15 5RT

Application 20/03177/LB RELOCATION OF KITCHEN WINDOW

METHOD STATEMENT

1. Using hand tools:-
2. Prop lintel, carefully remove existing window
3. Carefully remove existing stonework on RHS, working insofar as possible from interior to enlarge opening to agreed position.
4. Temporarily remove downpipe to allow repositioning of lintel.
5. Reposition lintel in new position, using existing wooden lintel if sound with suitable concrete lintels behind.
6. Carefully infill wall using stone from 2 above with matching stone if necessary to reduce opening on the other side to the agreed dimensions. Match coursing where possible. Point Stone walling with traditional Lime based mortar.
7. Trim and plaster new window opening.
8. Fit custom-made wooden window with leaded lights to traditional pattern (detail attached), seal and make good surround.
9. Reconnect downpipe.
10. Paint window and downpipe to match exterior.
