Comments:
Sibford Gower Parish Council NOTES this proposal, with the following observation:

Whilst further clarification has been sought from the Applicant ,it has not been possible to verify:

that all current storage associated with Gentlevan Removals occurs in the building space already approved under 10/00759/F. (Additional Information 3.5) the current use of the barn.

The identified barn would appear to be within 20 metres of an adjacent watercourse, raising concerns regarding the disposal of surface water via a soakaway facility, potentially contaminated by association with the continued operation of commercial vehicles.

Further consideration may be appropriate to address the possible retrospective nature of this application.

Case Officer:
George Smith
