Comments	<input type="text" value="As a resident of the area on Cotefield Drive. The community who live here have a big concern with the amount of extra traffic and congestion that this will bring to our junction with the Oxford Rd. We don't feel there has been enough investigation into the amount of extra traffic this will bring. We have residence (myself included) when attempting to travel south on the main road (A4260) it can take up to 10 mins to leave the junction because of traffic and other road users not giving way. Most of us has had to travel in the wrong direction to turn around when safe to do so."/>
