Comments	<input type="text" value="Please see attached document for our original objections to this planning application. We note that nothing has materially changed in the resubmission to change our opinion in opposing the existing plans. Since the application was first submitted further housing development has been approved near by which will only increase the traffic on the Oxford Road which is, at times, extremely heavy. For all houses in the Cala and Crest developments here the ONLY access is via the entrance from the Oxford Road which if blocked for any reason means emergency services will not be able to attend. We are also surprised that as very close neighbours and considering the entrance is our only means of access that we were not notified of the resubmission."/>
