Comments	<input type="text" value="The transport and parking surveys were undertaken in September 2018 when the Cala Homes site was only 50% occupied and the adjacent Iron Stone site not started. Now, nearly 3 years on we have considerably more vehicle traffic entering and leaving Cotefield Drive onto Oxford Road. At times it can take 5 mins to turn left towards Banbury and more to turn right towards Adderbury; and this is with the Iron Stone estate not at full occupancy and many people still working from home. This junction will become significantly more difficult to negotiate when adding the traffic for a food store that has 90 car parking spaces."/>
