Comments	<input type="text" value="We have worked hard to preserve the conservation area in which this proposed plan is sited and surely is a breach of conservation rules - a barn and a parking space for bikes . The hills either side of the entrance to this site are steep and accidents occur on this road . Our villages are quiet usually and many walkers . dog walkers , cyclists and horse riders frequently use the road . The bikers who use this pub in the main try to be considerate but we have noise pollution and speeding and to increase this number would be harmful to this rural area which as Sibfordians we deeply care about ."/>
