Comments	<input type="text" value="I am not a resident of this area but love to visit this area often. With its beautiful picturesque views. In these times we should support all small up coming businesses to grow and thrive. Covid has and will I'm sure cause many small businesses to die. This venture I believe is to bring life, trade and livelihood to the area surely this can only be a positive thing. Being able to visit and stay over in this beautiful part of the country, to enjoy the scenery is such a lovely gift. I hope this venture is granted, and look forward to being able to visit covid allowing soon"/>
