Comments	<input type="text" value="I think that the proposed barn would really enhance the facilities of this public house. I also think that the hospitality sector will deserve a much needed shot in the arm, and I applaud the proprietors' ambitions for the site, at a time when most of their competition is cutting back, reducing staff, or even closing altogether. I look forward to a positive decision, and support their application. Kind regards Andrew Westmacott Retired Financial Adviser"/>
