Comments	<input type="text" value="I wish to object to this application. An agricultural barn cannot possibly be necessary for this small site and would be detrimental to this area of high landscape value that forms an undeveloped break between the villages of Sibford Gower/Burdrop and Sibford Ferris. If the true purpose of the proposed building is to provide campsite facilities then consideration also needs to be given to access issues at the bend in the road at the bottom of the steep hills - it would be dangerous to have vehicles accessing the site on any but an occasional basis."/>
