| Comments | <input type="text" value="I strongly object to the Noquets' proposal to build a barn , parking spaces for bikes, a campsite and who knows what else in this beautiful valley. This is a conservation area and it has already been considerably trashed by their clearance and flattening work in preparation for their 'vineyard'.It would not only be an eyesore, but also the potential cause of accidents, with the proposed exit/entrance right at the bottom of this steep hill, on the sharp bend in the road, where accidents have already occurred without this new hazard.This land should be allowed to remain untouched."/> |
