This is just the latest attempt to manipulate planning rules in a long history of planning abuses which have taken place with regard to this site. I object on the following grounds: 1.This valley has long been named a conservation area at the heart of the Sibfords. Should this permission be granted it would obviously set a dangerous precedent. Conservation Area appraisal documents submitted to Cherwell District Council in 2012 stress the valley is at the heart of the Sibfords' Conservation area: " vandalism="" vehicle="" vehicles="" very="" villages.="" vines="" vines.="" visibility.="" was="" waste="" water="" were="" whether="" which="" will="" with="" within="" work="" worrying="" would="" year="" yet=""/>
