<b>Comments</b>	<input type="text" value="The erection of this barn is to house showers and toilets for a camping site which is totally out of keeping with a designated conservation area. In addition the access to this site is in an extremely dangerous position at the bottom of a hill, on a blind bend and with no speed limit. This road is frequently used by horse riders and pedestrians as well as other traffic. The Sibfords and Burdrop is a peaceful rural setting with narrow roads and limited access so to try and attract motorbikes which are noisy and sometimes dangerous is not appropriate for this area. Please note that the site has already been cleared, trees and hedges destroyed before planning has been granted."/>
