Comment for planning application 20/03347/F

Application Number 20/03347/F

Location The Pheasant Pluckers Inn Burdrop OX15 5RQ

Proposal Erection of an agricultural barn store

Case Officer George Smith

Organisation Name

Keith & Ann M Woolgrove

Address Oakwood Cottage,Sibford Road,Shutford,Banbury,OX15 6HD

Type of Comment Objection

Type neighbour

Comments With reference to the above planning application, we wish to strongly object. Work has already begun on this futile attempt to manipulate planning laws concerning the cherished, Conservation area of protected land between Sibford Gower and Sibford Ferris. With the erection of, initially, a barn to service a vineyard and to further aid development into a campsite/Portaloos/shower facilities etc within the protected valley, this unacceptable and must not be given permission to go any further. There are currently works being carried out to terrace the area. The field should be returned to its existing condition prior to the arrival of diggers/machinery during recent months. Over the years, several attempts have been unsuccessfully made to erect stables and such-like in the valley, which have been rightfully turned down. Another important point we need to make is regarding the applicant's referral to the 'unlawful' supposed waste soil being put on the land in question in past years. This was in fact during the early 1950's during the construction of the Village Hall in Sibford Gower, when excavated soil was moved in to level the uneven field. This was unlawful at that time and by permission of the then current landlord of the Bishop Blaize. The current owners are mindset to upset and annoy the tranquility of the residents of the Sibfords with this outlandish idea that a 'vineyard' on this field should give them the opportunity to develop the activities they suggest. This must certainly not be given permission to proceed any further once the field has been returned back to grazing. Regards Keith and Ann Woolgrove
