## **Transport Schedule**

### **Recommendation:**

Objection

While I acknowledge that the bus infrastructure contribution shall be paid in accordance with the Unilateral Undertaking for the installation of the bus stops, it is my understanding that this only covers the shelters, flagpole and associated bus timetable displays. The full details required by Condition 6 on the other hand should include bus stop cage markings and a hardstanding large enough to accommodate the agreed infrastructure above.

To vary this condition accordingly or to discharge it, a plan showing appropriate hardstanding and bus stop cage markings (to be painted by the developer) will need to be submitted for approval.
