This report sets out the officer views of Oxfordshire County Council (OCC) on the above proposal. These are set out by individual service area/technical discipline and include details of any planning conditions or informatives that should be attached in the event that permission is granted and any obligations to be secured by way of a S106 agreement. Where considered appropriate, an overarching strategic commentary is also included. If the local County Council member has provided comments on the application these are provided as a separate attachment.

## **Transport Schedule**

### **Recommendation:**

No objection

OCC have revisited this application in light of the applicant's email (David Green dated 27<sup>th</sup> Jan 2021) following our recommendation to object.

This submission seeks removal of condition 6 of 19/00895/REM. While in our previous response we recommended objection, I hereby wish to withdraw the objection. It is agreed that the details required by condition 6 such as bus stop markings and hardstanding have been the subject of a separate process already approved. See 19/00213/DISC-4 in which such details were considered.

The remainder of what is required as bus infrastructure shall be paid for in accordance with a Unilateral Undertaking. As such, I find it acceptable for Condition 6 of 19/00895/REM to be removed.
