Type of Comment	<input type="text" value="Support"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="Deddington is a village with a number of older residents, many of whom are born and bred in the village. There is a real shortage of suitable accommodation for retired people in the village to allow them to remain in the locality once they leave their larger family homes. This project is in an ideal location, with sympathetic design to the character of the surrounding neighbourhood."/>
