Dear Sir / Madam

Re: 20/03467/F

**Land adjoining and west of Stonecroft House, Clifton Road, Deddington
Proposed erection of 7 one- and two-storey age restricted dwellings for
older people (60 years) with access, landscaping and associated
infrastructure.**

We wish to register an objection to these proposals on the grounds that they adversely affect the setting of Deddington Castle, a scheduled ancient monument.

National planning policy requires that such monuments be conserved in appropriate settings, and we consider that the proposed development breaches this in bringing the urban development of Deddington too close to the rural nature of the monument.

Yours faithfully

Liz Woolley
