To whom it may concern,

I am writing to oppose development 20/03467/F on this particular site as this is an open green space within the conservative area of Deddington and believe it should be preserved as such especially due to it's proximity to Deddington Castle/grounds (scheduled ancient monument).

The access to this site is also a cause for concern, being on a blind corner as you leave/enter the village.

With kind regards
