

BASIN AND ALLOTMENT
 TRACK IN ABEYANCE

A risk assessment has been carried out on this design. Residual risks following this process are listed below. A copy of the full Design Risk Register is also available on request from EDP.

Numbered List

1. Implementation of soft landscaping within a construction environment (across the site).
2. Working with close proximity of underground services (across the site).
3. Works adjacent to existing/proposed highways (across the site).

For further guidance, refer to HSE Construction (Design and Management) Regulations 2013.
