Subject: MW.0128/20 - Wroxton Fields Quarry (CDC Ref 21/00015/CDISC)

Dear Emma,

Having read the documentation provided I have the flowing comments on this application for discharge of the conditions:

Noise: I am satisfied that the noise report is accurate and follows current guidance and that I have no objections as long as the proposed mitigation in the report is in place prior to the works commencing.

Air Quality and Dust: I am satisfied with the report provided and the condition can be discharged as long as the recommended mitigation is followed.

NB: Please note my new working pattern below, I will only respond on the days appropriate to the email content
Mon – Weds: Environmental Protection, Thurs – Fri: Health Protection and Compliance

Kind Regards
