Comments	<input type="text" value="As per my previous objection, allowing a house to be built in the garden of no 13 would ruin the neighbours back gardens and would leave them overlooked. I can not see how anyone who is planning on living in No 13 for a number of years would ruin the back garden and surrounding ones, by erecting another house. I believe this is purely for financial gain with no thoughts for the neighbours who have enjoyed the area and their own garden views for years in many cases. We have enough houses being build around Bodicote. I am also concerned regarding the entrance/exit to this proposed house being on the oxford road and feel this is going to cause accidents."/>
