Comments	<input type="text" value="Bodicote Parish Council objects to this application for the following reasons. If approved this property would access on to the busy Oxford Road close to a junction. Access for the other properties on this stretch of the Oxford Road are via a driveway. We believe this property will not be in keeping with the street scene. Could the planning officer please respond to the Parish Council on the following concerns: It is our understanding that verge is in the ownership of the County Council. Has the County Council given permission for the trees to be felled and if so where are replacement trees to be planted within Bodicote parish? If approved will there be a traffic management plan? Where will construction lorries access the site?"/>
