<b>Comments</b>	<input type="text" value="This is already a busy pinch point area for traffic leaving or joining the Oxford Road and it is a fast road . In that area, on one side of the road there is a new large housing estate Longford Park, Bannatynes gym, Banbury Rugby Club and a small set of traffic lights for an individual home and of course the main traffic lights. On the other side- a new housing estate Ironstone Place ,residential houses, a lay-by and a garden centre. Another road/driveway from this proposal adds to an already busy mix with all the risks that entails. In addition to this, presumably there is added congestion and risk from construction traffic and plant . Possibly removal of trees ? It can only cause unnecessary upheaval and risk for local residents for one additional home ."/>
