<b>Comments</b>	<input type="text" value="I fully support this application. It reflects the changed circumstances following the pandemic but still allows for expansion at a later date. The access point was stipulated by OCC Highways in conjunction with TVP and is therefore part of revised application, I would assume these authorities know their jobs. The village has voted in favour of this project twice and is waiting with bated breath for further progress. I look forward to its successful conclusion."/>
