Comments	<input type="text" value="I am in support of the project as I feel it is important to maintain sports facilities for Adderbury, particularly for younger children in the village, as many of the sports played are adult teams. The current sports field has been flooded many times this year and so matches and events would have been disrupted (had they not already been because of Covid). Parking around the Round Close Road area of the village is always bad on match days. There are too many cars, the road gets congested."/>
