The Parish Council supports the above application because it will enable the project to move forward by making the building a third smaller in size and therefore, more cost effective.

This will bring the overall costs of the project more in line with the reduced grants which are available in the Covid-19 Pandemic.

This also allows the building to be better positioned with regard to the nearest neighbouring properties in Henge Close (which accords with comments from these residents) and to the views of the pitch area from the building.

The Highways entrance has been moved slightly at the request of Oxfordshire County Council to comply with the traffic calming project on that part of the Milton Road.
