Subject: RE: Planning notification for application reference: 21/00151/F

Thank you for your consultation with regard to this application.

The proposals outlined would not appear to have an invasive impact upon any known archaeological sites or features. As such there are no archaeological constraints to this scheme at this time.

I therefore have no further comments to make on this application. Please do not hesitate to get in touch if you would like to discuss this further.

Kind Regards

Clare
