Comments	<input type="text" value="I am opposed to the latest application to build two dwellings on the garden of Mrs Biggam, as I was to the previous (withdrawn) application. The other public responses against this application cover many valid points with which I agree. 1. This is against the Neighbourhood Plan as it falls outside of the defined settlement boundary. 2. There is no need for more substantial houses in the village. 3. Additional traffic will have an adverse affect within the tight constraints of Tanners Lane and The Leys. 4. The ownership of the concrete road to the sewage works is still disputed. 5. Additional traffic on the concrete road will affect the safety of the many pedestrians who use the road for access to the Lucy Plackett playing field and for other areas of the village. 6. Will the proximity of one of the houses to the existing stable and hen house on Culbone's property be likely to lead to disputes in the future?"/>
