<b>Comments</b>	<input "="" type="text" value="The village shop has been closed for a year now and people have made other arrangements for their needs. The idea of a village shop and post office is a romantic notion these days and, with the opening of a Co-op store in the neighbouring village, the fate of this store was sealed. The shop was a sad reflection of it's former self in the last months of opening, and obviously not viable. As it stands, the building is a bit if an eyesore and to convert it into a handsome dwelling seems a sensible way forward,"/>
