Comments	<input type="text" value="I strongly recommend that Kirtlington Post Office and village shop should be converted into a four-bedroom house, as per the above proposal. As a business proposition, this small shop was entirely invalidated by the opening of the Co-op such a short distance away in Bletchington during the latter part of 2019, and customer numbers quickly dwindled before the shop then had to close. Yours faithfully Haydn Middleton"/>
