To whom this may concern,

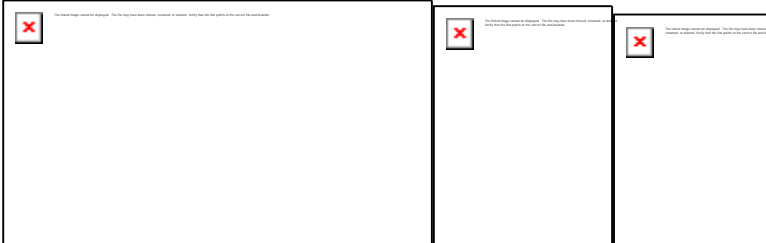

With some regret I object to this application for a change of use. The Simpsons for many years have provided an invaluable service to our village, Kirtlington. BUT, we need a shop and post office for many reasons, not least for the sake of the older inhabitants. The plan to open a community shop in lieu has just fallen through. If it weren't for that, I'd probably not be lodging this objection. It's a difficult balancing exercise, but my view is that the disadvantage to the applicant is outweighed by the benefit to the village in gaining a return to a viable shop.

Yours,  
Peter Kyte,
