Comments	<input type="text" value="We support this application to change the use of the village shop to a residential dwelling. We have lived in the village for 30 years and have always supported the shop, it was once the heart of the village. Sadly despite extra support from some villagers in recent years the owners were unable to continue running it as a successful and profitable business. New shops opening in Bletchingdon and Heyford, along with many more people using online delivery have all impacted on the shop. I therefore feel that the owners should be able to change their property to a comfortable home and remain in the village."/>
