Comments	<input type="text" value="I fully support this application for change of use from a shop to a residential property. Despite the best efforts of the owners over the years, there has for some time been insufficient trade to make it financially viable. A village shop needs people in the village to spend money in it, and this wasn't happening. There is now a Co-op in Bletchingdon (which will deliver locally to the elderly and vulnerable) and a Sainsbury's at Heyford, and it is impossible for a village shop to compete on price or range with these stores. In these circumstances I can see no good reason why this application shouldn't be approved."/>
