Comments	<input type="text" value="This application to build an agricultural barn is the first approval step, before an application is put forward to convert the barn into a residential dwelling. In my view the application would appear to be an apparent ruse obvious ruse and should be refused, Furthermore, the site clearance around the proposed barn, is a scene of devastation and the boundary hedge to the main road between Sibford Ferris and Burdrop has been cut back in the most brutal way including trees that exceed the 4 inch circumference rule."/>
