| Comments | <input type="text" value="I have already objected strongly to what the Noquets are doing and are planning to do to this Conservation Area.It is in my opinion vandalism to have cut down so many trees , destroyed the hedgerows and created such an appalling mess out of the beautiful Sib valley. The erection of a storage barn would completely ruin this once picturesque slope.Moreover the plan to have vehicles coming and going on the hill is madness and just paving the way for dreadful accidents.So much damage has already been done but now it has to stop."/> |
