<b>Comments</b>	<input type="text" value="We wish to object to this new planning application for a barn: *The Sib Valley is a conservation area and should be kept as is, a beautiful characteristic of the Sibfords *The proposed dark stained barn covering an area of 36 sq metres, 13 ft high x 30ft long x 13ft wide will be extremely prominent and an eyesore from Manning's hill/Hawks Lane, Sibford church field and foot paths leading from Sibford Gower especially now that the hedge all be it predominantly blackthorn and brambles has been removed exposing a full view of the paddock and the area where the barn is proposed to be situated. All the existing very thin cover they mention will need to be removed to do the groundwork's to build the barn. * There is no mention of electricity, water, drainage etc... for the planned plant equipment? * For the size of the small businesses proposed there is more than adequate provision and space on the site of the pub to accommodate all the paraphernalia required."/>
