Comments	<input type="text" value="I wish to object to the construction of an agricultural barn on this site which is one on outstanding natural beauty and in a conservation area. The proposed vineyard and apple orchard seems unlikely to yield enough produce for any sort of processing which will be viable. The spring water scheme is also questionable with regard to supply and impact on the Sib valley at the bottom of the site. This brings into question just what the barn will be used for, shower block and toilets for bikers? Once again, I must object to the noise and danger bikers will cause in the village, especially if they are allowed to park on this land at the bottom of a dangerous hill. Finally, the site has already been stripped and the hedge ripped out without permission."/>
