<b>Comments</b>	<input type="text" value="I agree with the Council's opinion that this planning application for an agricultural barn would not be in keeping with its proposed position in the centre of Burdrop within a conservation area. This would be a large unsightly structure positioned on land which is not a farm or smallholding and would be extremely prominent positioned as it would be in the middle of the Sibfords. In addition, if this application were to be passed it may well lead to further unwanted development on this site. I oppose it in the strongest possible terms."/>
