Comments	<p>I OBJECT to the application 21/00477/F for an Agricultural Building in the land below the "Blazing Saddles" public house. It is inappropriate to build a barn on this land in the Sib Valley. This is a conservation area and is of great beauty and needs to be kept that way, building a barn for the purposes set out in the current application are not to be believed. The barn would inevitably end up as the toilet/shower block for the numerous bikers/campers the applicants propose entertaining on this land. The peace and quite of the villages of Sibford Ferris, Burdrop and Sibford Gower are valued greatly by all the inhabitants (except the owners of the Blazing Saddles public house), we live here because we love the natural landscape, peace and quiet and beautiful countryside, allowing bikers and campers in droves is not conducive to the country living we enjoy at Sibford. This development should not be permitted.</p>
