Assistant Director – Planning and Development

Date of Decision: 12th April 2021

Checked by: Nathanael Stock

REASONS FOR REFUSAL

1. The proposed building, by reason of its form, scale, appearance and prominent siting within the Sib Valley in open countryside, would cause significant visual intrusion and would adversely affect the undeveloped character, attractive qualities and appearance of the landscape of the Sib Valley and would cause harm to the character and appearance of the Sibford Gower with Burdrop Conservation Area. It has not been demonstrated that there is an essential need for the building in this location and insufficient information has been received in order to assess the viability of the proposed business use, and therefore the identified harm significantly and demonstrably outweighs any benefits arising from the proposal. The proposal therefore fails to accord with Policies ESD1, ESD13 and ESD15 of the Cherwell Local Plan (2011-2031 Part 1), Saved Policies AG2, C23, C28 and C33 of the Cherwell Local Plan (1996) and relevant paragraphs of the National Planning Policy Framework.
2. By reason of the separation of the site from the highway, the applicant has failed to demonstrate a safe and suitable access would be provided to the site. The indicative access location, as a result of insufficient vision splays, would be unsuitable for vehicles to access the site and would result in a severe hazard for users of the local highway network. The proposal would therefore result in significant and demonstrable harm to highway safety. As such the proposal is contrary to Policy ESD15 of the Cherwell Local Plan 2011 – 2031 Part 1 and Government guidance contained within the National Planning Policy Framework.
3. The site is likely to be home to important ecological habitats. The applicant has failed to demonstrate that the proposal would not result in harm to biodiversity or wildlife on the site. The proposal is therefore contrary to Policy ESD10 of the Cherwell Local Plan 2011 – 2031 Part 1 and Government guidance contained within the National Planning Policy Framework, in particular paragraph 170.

INFORMATIVE NOTE TO APPLICANT

1. The description of development refers to the proposed use of the barn as agricultural and as such the application has been assessed on this basis. Whereas the supporting statement with the planning application describes one of the proposed uses of the barn as Class B8 purposes. Were the description of development to be amended to reflect the B8 use as described, the refusal reasons would remain, but for reason 1, which would refer to a failure to accord with Policy SLE1 of the Cherwell Local Plan (2011-2031 Part 1), alongside the policies presently listed.

STATEMENT OF ENGAGEMENT

In accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended) and paragraph 38 of the National Planning Policy Framework, Cherwell Council has given consideration to whether amendments or additional information would overcome its concerns with the application, but unfortunately it has concluded that it would not be possible to resolve those concerns within the scope and timescales of this application. Cherwell Council has resolved that the application proposals do not amount to sustainable development and consent must accordingly be refused.

The case officer's report and recommendation in respect of this application provides a detailed assessment of the merits of the application when considered against current planning policy and guidance, including consideration of the issues raised by the comments received from consultees and members of the public. NOTICE OF DECISION

TOWN AND COUNTRY PLANNING ACT 1990 (AS AMENDED)

NOTES TO THE APPLICANT

REFUSAL OF PERMISSION

The Local Planning Authority has refused consent for the reasons set out in the schedule forming part of this notice of refusal. A further explanation of the reasons for the decision can be found in the planning officer's report, which can be viewed in Public Access via the council's web site.

If you wish to examine any of the development plans which set out the Local Planning Authority's policies and proposals for the development and use of land in its area, these are available for inspection on our website, or at the District Council offices, Bodicote House, Bodicote, during normal office hours.

APPEALS TO THE SECRETARY OF STATE

If you are aggrieved by the decision of the Local Planning Authority to refuse to grant planning permission or grant planning permission subject to conditions, you can appeal to the Secretary of State in accordance with Section 78(1) of the Town and Country Planning Act 1990.

If you wish to appeal, then;

- For **Householder** applications you must do so within **12 weeks** of the date of the decision
- For **Minor Commercial** applications you must do so within **12 weeks** of the date of the decision
- For **all other types** of planning applications, you must do so within **6 Months** of the date of the decision

Unless;

- The decision on the application relates to the same or substantially the same land and the development is already the **subject of an enforcement notice** then you must appeal within **28 days** of the date of the Local Planning Authority's decision on the planning application.
- If an **enforcement notice is served** relating to the same or substantially the same land and development as in your application and if you want to appeal the decision, then you must do so within **28 days** of the service of the enforcement notice, or 6 months (12 weeks for householder and minor commercial) of the date of this decision whichever is the sooner

Forms can be obtained from the **Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN. Tel 0303 444 5000. Or online at <https://acp.planninginspectorate.gov.uk>**. The Secretary of State can allow a longer period for giving notice of an appeal, but he will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to him that permission or approval for the proposed development could not have been so granted otherwise than subject to the conditions imposed by the Local Planning Authority, having regard to the statutory requirements, to the provisions of the development order and to any directions given under the order.

In practice, the Secretary of State does not refuse to consider appeals solely because the Local Planning Authority based its decision on a direction given by him.

PURCHASE NOTICES

If either the Local Planning Authority or the First Secretary of State refuses planning permission or approval for the development of land, the owner may claim that he/she can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.

In these circumstances the owner may serve a purchase notice on the District Council. This notice will require the Council to purchase his/her interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.

COMPENSATION

In certain circumstances compensation may be claimed from the Local Planning Authority if permission is refused by the Secretary of State on appeal or on reference of the application to him.

These circumstances are set out in the Town and Country Planning Act 1990 as amended by the Planning and Compensation Act 1991.
