The Pheasant Pluckers Inn. for erection
of a agricultural barn.

I sent a letter for the first applications
of the barn for it to be refused and
it was taken down.

Now Mr. NOUQUET is's trying again.
I do not think a barn on this bit of
land will fit in the valley or the village
it is in a conservation area.

the land ~~and~~ at the back of the pub. is
very steep and the way in of the road
is very narrow.

I hope you will refuse
this application
