Comments	<input type="text" value="The Parish Council objects to this application on the following grounds: 1. Noise nuisance to the residents of Shenington and Alkerton 2. 65 days per year is an unreasonable number of days of noise nuisance. The applicant should request a more reasonable level of activity. If an increase to the permitted development 14 days per year is granted, the Parish Council would like the applicant/ organisers to coordinate their calendar with Shenington Kart Club so that the noise nuisance occurs on the same days as the parish Council receives noise nuisance complaints from the motorcross and karting."/>
