Address	<input type="text" value="1 Pages Lane,Hornton,Banbury,OX15 6BX"/>
Type of Comment	<input type="text" value="Objection"/>
Type	<input type="text" value="neighbour"/>
Comments	<input type="text" value="I have lived in Hornton for the last 18 years and remember hearing the bikes occasionally racing on a Sunday for a few hours from our house and garden. We used to sometimes drop in to watch the races on our family dog walks as my husband grew up racing dirt bikes and it was a really friendly atmosphere with local Banbury families who were very welcoming. Over the last few years the size of the site, number of events, noise and traffic have gradually increased and rather than an occasional disturbance a Motocross event can affect a whole weekend if the wind is blowing in a certain direction as the noise is so loud it is not a pleasant experience to be outside in the garden. My greatest sadness is the environmental impact of the race track and the effect on the local wildlife and countryside. I am genuinely shocked at the lack of responsibility and care shown by the owners and that they have been able to expand the track into a huge commercial money making venture without any planning or permission. It is ridiculous when I think of the processes and efforts I have had to go to with CDC planning department to fulfil their requirements in building a small extension to my house so I cannot see how CDC has allowed this development to happen when it obviously has such a huge effect on the environment and all the residents who live in the surrounding area. I hope that my objection along with other local residents' objections and the Parish Council's submission will show how this development has affected everyone and that we are united in fighting this retrospective planning application."/>
