Comments	<input type="text" value="Dear Mr Smith I wish to register my opposition to the motor cross track planning application, which is totally unacceptable. This area is valued for its tranquility and beauty, something the track is ruining. Living in a Conservation Area one wonders how the colour of your garage door matters more than the disruption caused by high-pitched constant racket from this track, which appears to have grown out of all proportion. Why has the council not controlled this, surely it is your duty to enforce the rules for everyone? I have lived in this village for some 35 years and hope to be able to enjoy living here again, something not possible with this environmentally-damaging, uncontrolled, and, seemingly, ever increasing problem. I trust you will do the right thing and reject the application. For further objections may I refer you to my previous letter when the track applied for an LDC. Yours sincerely G Griffiths"/>
