<b>Comments</b>	<input type="text" value="I live on the main A 422 at the Eastern entrance to Wroxton Village . I am horrified at this application. The increase in traffic at week ends on an already extremely busy road will add to the continuous noise . All vehicles approaching the venue from Banbury have to go through the village , negotiating two sharp bends , and on return littering the verges with their used cans and containers. From an environmental viewpoint , the increase in pollution would be unacceptable . Furthermore, if the wind is from direction of the track , the noise is thoroughly unacceptable on a Sunday afternoon. I urge the Council on the above grounds alone to disallow the Application."/>
