Comments	<input type="text" value="I strongly object to this application for several reasons. We already have a high volume of speeding traffic travelling through Wroxton both during the week and at weekends, regularly weekend traffic sees volumes of bikers with no respect for the speed awareness signs, nor residents of our village. There is an increase of litter along verges which is clearly being thrown from vehicles as they travel through, this would increase again were this to go ahead, the litter pickers in the village have noticed a rise in litter along the main road. In addition, 65 days of racing is excessive, that is more than half the weekends over a calendar year, this amount will seriously impact the environment, nature and wildlife within this area. We moved to Wroxton for its beauty and quiet/ peaceful location. This would completely ruin everything that the residents work towards to keep our village as it is. I STRONGLY object to this application and give my support to all local councils who object to this. Sincerely, Sarah Colbert"/>
